**This is a Letter of Recommendation for
Centerpoint Business Park on Mullan Rd in Spokane Valley, WA.**

I was a tenant at 100 N Mullan Rd for 20 years. After about 6 years in one suite, I approached the owner/landlord Greg Arger about expanding my office into the adjoining suite. He was happy to accommodate us and was more than fair in helping me make the transition.

Over the years, Greg and his son Gene, have been easy to work with and have been very reasonable when negotiating my renewal options at the end of my lease periods.

The care and maintenance of the building has been great, and any minor problems that I encountered were immediately resolved.

Over the 38 years that I have been in business, I have leased office space in 5 different locations. The Argers are by far, the best landlords that I have dealt with. I was so impressed with them that I encouraged my son-in-law to open his Chiropractic office in their building.

I would encourage anyone looking for an office location in Spokane Valley to contact the Argers to see if they have space available.

The reason I didn't renew my lease in July of 2020, was that I needed a smaller space, closer to my home.
